

**Westminster Church is hosting a
Community Event**

Children's Christmas Sale

**Children of any Faith or Culture are
welcome (parent information: attached)**

December 13th starts 10am-12 noon

MOST ITEMS are 25¢

Some suggestions to help prepare your child for a wonderful event:

- 1. Bring shopping bags to carry the gifts home.**
- 2. Parents and children will be met at the door with a guide shopper who can help your child find the things they want.**
- 3. If the child brings a shopping list it will help them focus and help the guide shopper be more helpful to them.**

The parents will be welcomed to a tea & coffee room to relax while your child shops with the guide shopper and wraps the presents (or are wrapped for them by a team). At the end they will be brought back to their parents with their wrapped (& labelled) Holiday gifts. Our hope is that everyone will have a wonderful time getting ready for this holiday season.
